2. DEFINITION AND OPERATION OF COOKIES.

A "cookie" is a file that is downloaded to your computer, smartphone, tablet or TV when accessing certain websites in order to store data that can be updated and retrieved by the entity responsible for its installation. These cookies can allow a web page, among other actions, to store and retrieve information about the user's browsing habits and on your computer, depending on the information they contain and how your computer is used, they can be used to recognize the user.

Cookies from a technical standpoint allow web pages to work more agile and are tailored to your preferences. They can also help those responsible for the websites to improve the services we offer, thanks to statistical information that is collected through them.

3. *Cookies used by the Website WWW.FUERTEVENTURA PARK.COM OASIS.*

The Website (www.fuerteventuraaoasispark.com) use own and third party cookies:

- Own Cookies: those that are sent through the terminal equipment or by accessing the website from computers or own domains managed by us and from which services you request are delivered are sent.
- Third party cookies: those that are sent through the terminal equipment or by accessing the Web site from a computer or domain not managed by us but by third parties that process the data collected through cookies which are sent.

On the Website you can install third-party cookies that allow you to manage and improve the services they offer (such as links to social networks or maps), being those listed in the table in this paragraph.

We also use session cookies and persistent cookies:

- Session Cookies: these are temporary cookies that are installed in the cookie file of your browser only until you visit our website.
- Persistent cookies: these are cookies that are stored on the hard disk of the terminal with which you linked to our website and can be accessed and treated over a period of time defined by those responsible for the cookie.

Navigation on the Web site constitutes they can install their own cookies or third parties that are listed in the following table.

*

4. *SERVICES PROVIDED BY THIRD PARTIES AND THIRD PARTY COOKIES*

The table provided in the previous section links to the privacy policies and / or policies cookies portals and services provided by third parties that are collected on the Website.

Additionally, here we provide links to the privacy policies and / or policies cookies portals and services provided by third parties:

5. ACCEPTANCE OR NON-ACCEPTANCE OF THE USE OF COOKIES.

Some cookies need to be installed on your computer to ensure proper operation of our Web site or application but you can disable them. You can consult in paragraph 3 above identified as "strictly necessary".

Your consent to the use of cookies on our Web Site will be requested at the time of access. It will show a window with the following: "We use our own and third party cookies to improve our services by analyzing browsing performed by our users, to facilitate and optimize the navigation, interaction with social networks and viewing content of third parties on our website. If you continue browsing, we consider that consent to use and install. For more information on the consent or to change settings and uninstall cookies, please consult our Cookies Policy ", including a button to "OK" and a button to "not accept". It also has a link for access to "Cookie Policy" at the bottom of our Web Site.

At the time of your access, you can explicitly indicate your acceptance or otherwise of the use of cookies we need your consent (by clicking the "OK" or "not accept" button). If the user does not expressly state their acceptance, but continue browsing, for example using the scroll bar or by clicking on any link, we believe that consent is given for the use and installation of cookies from our Web site.

If users expressly accept the use of cookies by action of clicking the "OK" button or any of the actions set forth in the preceding paragraph it is understood that this action is acceptance, you may revoke this consent at any time, by disabling cookies according to what is described in the next section 6. The revocation of consent will mean the same consequences as if the user had initially pressed the button "not accept", so it will apply the provisions in this respect as per the following paragraph.

If you do not explicitly accept the use of cookies by action of clicking on "not accept" it may have consequences for your navigation on our website, we can not know the use of our site to optimize it continuously and may be limited or not available and the use of third party content elements included in our Web site (such as maps, videos and social networks).

You can always configure your browser to allow, prevent or eliminate the use of cookies, for which we provide some information on how to do in the next section.

We do not get any personal information about our users, such as your IP address, password or data from your credit card with the cookies we use. Regarding third-party cookies and if through the same personal data obtained by these third parties, we recommend more information on Cookies Policy and / or privacy policies of third parties which can be accessed at the links provided in the box cookies paragraph 3 or on the websites of these third parties.

6. How to disable cookies.

You can always configure your browser to allow, prevent or eliminate the use of cookies.

Here are some links for the main browsers or media Internet where you can find information on how to set your browser to turn off and disable the use of cookies, or where appropriate, receive an additional warning at the time they are generated:
